LOCAL NOTICE TO MARINERS
POOLE HARBOUR

No. 08/2010

23rd July 2010

TWIN SAILS BRIDGE

Mariners are advised that construction works will take place in the Backwater Channel in Holes Bay commencing 26th July 2010.

Work is expected to take up to two years, however the initial stage will involve the setting up of a temporary boat channel to the east, and the installation of piles and temporary pontoon walkways from the power station site in the west extending towards the temporary boat channel in the east.

The temporary boat channel will be marked by port hand red piles and starboard hand buoys and is expected to remain until June 2011.

THE CONSTRUCTION SITE CONTAINED WITHIN THE CONTRACTORS WORKING AREA IS A PROHIBITED AREA. MARINERS ARE ADVISED TO KEEP WELL CLEAR.

(See chartlet)

For further information please contact Poole Harbour Control on VHF channel 14 or Borough of Poole, Transportation Services, St Johns House, Serpentine Road, Poole.

Mariners are reminded that Radar, telephone and VHF Channels are recorded.
