HARBOUR MASTER'S DIRECTIONS

1. The vessel must have a name or a number which is clearly identifiable from outboard.
2. There must be a minimum of two persons in the ski boat at any time whilst towing a skier; one driving, the other acting as look-out astern.
3. Ski boats must navigate anti-clockwise around the area which is well marked by stakes and buoys.
4. The Harbour Master may order the withdrawal of a permit without refund for infringement of these conditions.
5. The permit is to be available in the boat at all times and shown to the patrol officer/safety warden on request.
6. Water skiing is permitted only from sunrise to sunset.
7. Any incident of accident must be reported to Poole Harbour Control.
8. The use of inflatables is not allowed within the harbour limits.

Notes:

1. Poole Harbour Control will keep an up-dated record of valid permits to enable patrol officers to carry out rapid checks.
2. Serious offences will lead to prosecution under the Poole Harbour Byelaws for which the maximum fine is £1,000. Copies of the Byelaws are available from the Harbour Master.
3. There will be a harbour patrol launch on duty in the area during busy times in the summer months.

A handwritten signature in black ink, appearing to read 'B. Murphy', is written over a horizontal line.
