

POOLE HARBOUR COMMISSIONERS
LOCAL NOTICE TO MARINERS
POOLE HARBOUR

No. 05/2012

14th January 2012

TWIN SAILS BRIDGE SITE

BACKWATER CHANNEL RESTRICTION

THE BOROUGH OF POOLE (POOLE HARBOUR OPENING BRIDGES) ORDER 2006

Mariners are advised that the Backwater channel will be closed to navigation for vessels that are unable to proceed under the closed bridge spans due to their air draft.

Navigation will remain open for low air draft vessels that can safely proceed. Mariners should proceed past the works at slow speed, keeping wash to a minimum.

It is intended to restrict the channel from **08:00 hrs Thursday 19th January 2012 until 18:00 hrs on 20th January 2012**. The reopening of the channel will be promulgated by Poole Harbour Control on VHF channel 14.

This is to allow essential works to take place which are weather dependent, and which may therefore extend beyond the planned 36 hours.

For further information contact "Poole Bridge" on VHF channel 14.

Cancel LNTM 02/2012

Mariners are reminded that Radar, AIS, CCTV, telephone and VHF channels are all recorded.

Brian Murphy
Harbour Master
