**Dredging Operations at Cobbs Quay Marina, Holes Bay**

Mariners are advised that commencing on or about Tuesday 7<sup>th</sup> February 2012, ML UK Dredging intends to commence dredging operations at Cobbs Quay Marina in Holes Bay.

Dredging will be carried out by the spud leg barge 'Witton 2', accompanied by the split hopper barge 'Split 2', which will normally use the published bridge lifts, and which will be depositing the spoil at the Swanage deposit area.

The dredger will show the lights and shapes appropriate to indicate a vessel engaged in dredging operations and mariners are requested to pass with caution and at slow speed.

Operations will continue on a 24 hour basis for approximately four weeks.

**Mariners are reminded that Radar, AIS, CCTV, telephone and VHF Channels are all recorded.**
