

**POOLE HARBOUR COMMISSIONERS**  
**LOCAL NOTICE TO MARINERS**  
**POOLE HARBOUR**

No. 07/2007

3 April 2007

**Kite Surfing**

Kite Surfing, which involves standing on a surfboard and being towed by a kite, is a relatively new sport and although there are only a small number of enthusiasts in Poole at present, it is becoming increasingly popular. There is the potential for an increased risk of an accident with other harbour users.

In order to minimise this risk, some restrictive measures are necessary. The following rules are in force.

**Kite Surfing is not allowed in the Harbour Entrance or any of the main shipping channels between the Bar Buoy and the Turning Basin at the Ferry Port.**

**Kite Surfing is permitted in Whitley Lake. Surfers are encouraged to use the beaches outside the harbour when conditions allow, or off Hamworthy Park.**

This Notice supersedes Local Notice to Mariners 05/02

**CCTV is in operation in Poole Harbour. Recorded videotapes may be used in evidence to prosecute byelaw offenders.**

A handwritten signature in black ink that reads 'Peter Booth'. The signature is written in a cursive style with a horizontal line underneath the name.

**PETER BOOTH**  
**HARBOUR MASTER**
