(1)Sewage may be discharged at sea in accordance with regulation 11 of Annex IV of MARPOL 73/78. The correspondence boxes do not need to be completed if it is the intention to make an authorised discharge at sea.

(2) May be estimates

Notes:

1. This information may be used for Port State control & other inspection purposes.
2. Member States will determine which bodies will receive copies of this notification.
3. This form is to be completed unless the ship is covered by an exemption in accordance with Article 9 of Directive 2000/59/EC.

I confirm that:

The above details are accurate, correct and that there is sufficient dedicated onboard capacity to store all waste generated between notification and the next port at which waste will be delivered.
