

Rockley Viaduct Scour Protection Works

Mariners are advised that Scour protection works are being carried out at the channel under the Rockley Viaduct Bridge. Rock armour is being placed under the bridge to support the western side pier. There will be Barges, Work boats and a Safety Boat in attendance.

Work commences on Mon 21st Feb 2022 and is planned to be completed by Friday 29th April 2022
All vessels should transit this area at slow speeds, with minimum wash whilst maintaining a proper lookout.

JML60 Pontoon with Spud legs

Feeder Pontoon moving between Rockley Boat Park and JML60

Mariners are reminded that Radar, AIS, CCTV, Telephone and VHF Channels are recorded 24/7

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Water Sport Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
