

### Twin Sails Bridge Closure

**This Local Notice to Mariners is issued by Poole Harbour Commissioners  
on behalf of BCP Council**

Mariners are advised that the Twin Sails bridge is unable to lift at the moment due to a mechanical issue. It is currently in the down position and will remain so overnight and into tomorrow.

There will be no openings to allow larger vessels to transit through the bridge.

Vessels that are able to safely pass underneath the closed bridge, can continue to do so.

This will remain in place until further notice.

**Mariners are reminded that Radar, AIS, CCTV, Telephone and VHF Channels are recorded 24/7**

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Water Sport Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
