

BLOOD ALLEY NAVIGATION MARKS

Mariners are advised that in the “Blood Alley” Channel, South of Brownsea Island, the metal beacons, and wooden stakes have been removed and replaced with Port hand Buoys.

Mariners should note that these buoys are not necessarily in the same positions as the old beacons and reflect the current position of the channel.

Chart corrections will be issued in due course.

Mariners are reminded that Radar, AIS, CCTV, Telephone and VHF Channels are recorded 24/7

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Water Sport Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
