

### Dive Surveys – Commercial Quays

**Mariners are advised** that Commencing Monday 2<sup>nd</sup> December underwater surveys are taking place across all commercial berths.

A dive team from “Apex Divers” will be in attendance and will be displaying Flag Alpha when engaged in diving operations. They will be operating from vessel “Skin deeper” and marinas should pass at slow speed, with minimum wash, whilst maintaining a good look out.

Marinas should monitor VHF Ch 14, who will issue regular broadcasts advising on exact locations of dive sites.

Duration is expected to be for approximately 3 months and this notice will self-cancel on completion of the survey.

**Mariners are reminded that Radar, AIS, CCTV, telephone and VHF channels are recorded 24-7.**

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Water Sport Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
