

Diving Operations at Town Quay and other shipping berths

Mariners are advised that underwater quay inspections remain ongoing at Town Quay and all other shipping berths. The surveys commenced in December (as per LNTM 49 of 2024) and have now been extended and may continue into the summer season.

A dive team from Apex Divers aboard vessel SKIN DEEPER remain in attendance and are displaying Flag Alpha when engaged in diving operations.

Mariners should as usual monitor VHF Channel 14, VTS will issue regular broadcasts advising on exact location of each day's diving.

Mariners should, where safe to do, give diving operations a wide berth and pass at minimum speed for safe steering to minimise wash.

This notice will self-cancel on completion of the works.

Mariners are reminded that Radar, AIS, CCTV, telephone and VHF channels are recorded 24-7.

Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Water Sport Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
